New Single SLICE OF THE PIE

Singer songwriter Maryen Cairns releases a new single SLICE OF THE PIE along with her new album, ANEW.

Friday 11th November sees the release of a new single SLICE OF THE PIE for the Scottish born Australian singer songwriter Maryen Cairns, who has been based in Guernsey for almost 4 years.

Written before Covid hit whilst lying in the grass looking up at the sky, Slice of the Pie is a tale of yearning, of how life is so busy that it's hard to get off the treadmill and do the things we really want to do, and spend time with the people we really want to spend time with. It's sending out a plea to take the time and save some of your life for the things, the possibilities, and yes, the people, who matter most.

Having recorded Slice of the Pie in a very basic form, Maryen sent the song in early 2020 to Mark Zubek in Canada, who created the arrangement. Chris Kimsey in London co-produced & mixed it - bringing in guitarist Frank Kearns from Ireland, and then Elvis Kernaghan here in Guernsey added the final guitar solo.

It's taken 3 years for this Pie to come out of the oven!

SLICE OF THE PIE is released with Maryen's 7th album, ANEW, 11 November 2022.

Upstairs at St James is hosting an album release for ANEW on Friday 18th November.
